+91 6261384139 | priyanshibahore@gmail.com | Khategaon, Dewas, MP | Portfolio: [behance.net/priyanshibahore](#)

PROFESSIONAL SUMMARY

UI/UX and Graphic Designer with a background in Business Administration, combining user-centered design with brand strategy. Experienced in creating digital interfaces and visual identities that balance usability and aesthetics across Pharma, Print, and Digital Media sectors.

CORE COMPETENCIES

UI/UX Design: User Research, Wireframing, Prototyping, User Flows, Design Systems
Brand & Print: Branding, Pharma Packaging, Social Media Design, Typography
Technical Tools: Figma, Adobe Photoshop, Illustrator, Adobe XD, Adobe Animate

PROFESSIONAL EXPERIENCE

Freelance UI/UX & Graphic Designer

Mar 2025 – Present

Riva Studios

- Designed UI layouts and social media creatives for 5+ digital projects, focusing on improving user flow clarity for international UA (User Acquisition) clients.
- Executing website interface designs and engaging marketing collateral tailored for digital-first brands.
- Managing full project lifecycles from initial client briefing to final high-fidelity asset delivery.

Graphic Designer (Packaging & Printing)

Aug 2025 – Nov 2025

JK Graphics System, Indore

- Created and developed complex packaging and print material designs for commercial products, balancing material constraints with visual impact.
- Developed promotional creatives and marketing collateral strictly aligned with global brand guidelines.
- Optimized workflow to manage high-volume print and packaging requests while maintaining rigorous quality standards under tight deadlines.

UI/UX & Graphic Designer (Pharma Focus)

Oct 2024 – July 2025

Manobal Studios Pvt. Ltd, Mumbai

- Designed high-fidelity UI layouts and specialized Pharma assets (VA brand boxing, posters, flyers) for industry leaders including Thermo Fisher, Cipla, Sun Pharma, and Mankind.
- Developed comprehensive internal brand guides and visual identity systems ensuring regulatory and brand compliance.
- Executed user research and translated findings into iterative wireframes and interactive prototypes for healthcare platforms.
- Partnered with development teams to ensure pixel-perfect implementation of complex pharma-design specifications.

KEY PROJECTS

E-Commerce & UA Client Web Design — Designed interactive UI layouts for website projects, focusing on conversion-driven user flows and modern digital aesthetics.

Pharma VA Brand Boxing System — Conceptualized and executed packaging systems for multinational pharmaceutical brands, focusing on clarity and brand recognition.

Social Media Branding Kit — Developed a full visual suite for digital clients, including social assets and logos to establish a cohesive online presence.
